MDCSystems® Attended ABA Construction Forum Mid-Year Winter Meeting

February 2-3, 2017

MDCSystems® joined distinguished colleagues at the American Bar Association(ABA) Forum on the Construction Industry's Midwinter Meeting in Palm Desert, CA. Rich conference discussions included green building and sustainable development in addition to best practices for resolving environmental issues affecting today's projects.

Thank you to all who stopped by MDC's exhibit, picked up company information, or just said hello. All visitors had a chance to drop their business card at our booth for a chance to win a unique give-away. Congratulations to **Lisa Colon Heron** with the law firm of Smith, Currie & Hancock. Lisa won the MDC® drawing for the "Sustainability Library Starter Kit."

MDCSystems® looks forward to seeing you again at the April 2017 ABA Construction Forum in Washington, D.C.
